

Registering on the SELF SERVICE PORTAL

for Report Distributions & Online Dashboard

www.nicd.ac.za

What is the Self-Service Portal?

The Self Service Portal allows online registration of users to access Monitoring and Evaluation Reports for the purpose of improving outcomes in South Africa's Health Programs.

For the Health Programs in which they operate, users can register to receive

- 1) M&E Reports regularly distributed via email and/or
- 2) Online M&E Dashboards

Access to all HIV M&E Online Dashboards and Reports can be requested using the Self Service Portal.

SSP User Guide

HIV M&E REPORTS (all ages)

DSB00001 HIV M&E Dashboard

The Dashboard is available online for Adult (all ages) and Paediatric (<19 years) HIV surveillance.

DSB00001 Adult User Guide
DSB00001 Paediatric User Guide

WEEKLY REPORTS:

Results for Action (RfA) reports are distributed every Monday morning. They contain patient identifying information, are highly confidential and terms and conditions are attached to their use. An HPCSA or SANC number is required for access.

RPT00001: HIV VL Results for Action report (all ages)

The report provides all HIV VL results where VL > 1000 copies/ml authorised by laboratories in the past 7 days and is aimed at those responsible for monitoring HIV treatment to improve outcomes. If the current VL > 1000 copies per ml, previous consecutive VL > 1000 copies per ml per patient are also reported (limited by the lack of unique patient identifiers).
